

Growing for you since 1943

Mercier Orchards was founded in 1943 by Bill & Adele Mercier and is now a fourth generation family & veteran-owned and operated farm.

Our Bakery, Café, Market, Farm Winery, and Fruit U-Pick events make us a great choice for a day trip for the entire family. Be sure to pick up some delicious fruit, fresh baked goods, apple cider, and specialty items from the market when you visit.

On our 300 acre farm, we grow strawberries, blueberries, blackberries, peaches, and apples. Be sure to check out our website for more information on fruit availability and the latest information on our U-Pick events.

Located in Blue Ridge, Georgia, we are one of the top agritourism destinations in the whole state and just one trip will show you why!

*Celebrating 80 years
of growing for you.*

U-Pick

Our famous U-Pick events are an opportunity to pick your very own fresh fruit. Each event is a unique experience on a different part of our farm where our visitors can take home their own harvest of apples, strawberries, blueberries, or blackberries. U-Pick is truly a one-of-a-kind experience that you don't want to miss!

U-Pick is subject to availability and weather permitting. Please check our website for the latest information.

April	Blossom Tours
May	Strawberries
June	Blueberries
July	Blackberries
August	Apples
September	Apples
October	Apples

Farm Market

Everyone in your family will find something they love in our farm market. We have a wide selection of items to choose from such as local produce, honey, gifts, tasty snacks, fresh apple cider, and of course our famous apples.

We grow a variety of apples and other fruits right here at the farm for you and your family to enjoy.

Bakery & Candy Kitchen

Our bakery is famous for making tasty treats such as apple cider donuts, apple cinnamon bread, and fried pies. We make over one million fried pies right here at Mercier Orchards every year.

Even more delicious treats, such as candy and caramel apples, fudge, candied nuts, and other seasonal favorites are made fresh for you in our candy kitchen.

Café

Our café serves up delicious breakfast and lunch options. With so many wonderful dishes, full bellies for the whole family are guaranteed. Our bakery items are also available in the cafe.

Be sure to check out our website for current menu items and hours.

Winery & Hard Cider

Wine and hard cider are available year-round here at Mercier Orchards. Mercier is one of the first orchards in Georgia that grows, presses, ferments, and bottles its own ciders. Our very own Hard Pressed Beverages are leaders in the booming hard-cider industry. The winery pours our very own seasonal wines and carries a variety of wines and mead from local vendors.

Come in, enjoy a tasting flight, and you'll be "hard-pressed" not to take some home.
