The Cove House

A getaway trip to this secluded rustic lodge offers the pleasures of a Southern country estate located at the base of Pigeon and Lookout Mountains.

The newly constructed Cove House is tastefully decorated in rustic cowboy motif.

The Cove House accommodates up to 16 overnight guests for those looking for a quiet escape from the modern world. It is an ideal size for business, church and youth group retreats, or wedding guests attending events at The Show Barn. The layout lends itself to entertaining and parties with a fireplace and open-beam ceilings in the great room, large patios and game room. A spacious porch spans the front of the house providing extraordinary panoramic views of the ranch and surrounding mountains. The modern kitchen opens up to the great room and is furnished with stainless steel appliances. A master bedroom suite with luxury bathroom, and two additional bedrooms upstairs offer accommodations for 6 guests. Additional bedrooms downstairs provide more sleeping arrangements for larger groups.

Exploring the estate, hiking, biking, horse back riding, hunting, and just spending quality time with your family are all part of a retreat to The Cottages at Mountain Cove Farms.

The cottages were originally built in the mid-1940s to house farm employees and their families. Each has been remodeled with new bathrooms, modern kitchens with stainless steel appliances, a living room fireplace and outside fire pit, television, wifi access, and bedrooms that accommodate up to 8 overnight guests.

Guests can enjoy the fine cuisine at The Manor House restaurant or the convenience of cooking meals in your cottage.
