

DOUGLAS COUNTY TRAILS

Explore Outside the Lines

Agri-Trail is the perfect blend of traditional agriculture and tourism. From alpacas to fresh veggies to unique cuisine, the agri-trail is a great way to enjoy the best of nature's resources.

Butterfly Trail is registered with the Rosalynn Carter Butterfly Trail. The Master Gardener Extension Volunteers prepare all ten gardens for the Monarch's arrival every spring. With its distinct orange, black, and white wings, the Monarch butterfly is one of the most recognized American butterflies.

Over 700 movie and television productions have been filmed in Douglas County, Georgia. A self-guided Film Trail tour will take you to filming locations from your favorite television and movies, like *The Hunger Games*, *Stranger Things*, *The Falcon and The Winter Soldier*, and more
@ DouglasCountyFilmTrail.com.

In partnership with The Douglas County History Commission, Douglas County Travel & Tourism created the Douglas County History Trail in 2021. This trail is a detailed list of historic Douglas County locations dating back to the 1800s.
