HUNTING AND FISHING ADVENTURES

Dear Fellow Sportsman,

Thank you for inquiring about hunting with Woods-N-Water. Enclosed is some information about our hunting packages. We offer a full line of hunting adventures including whitetail, turkey and hog packages.

Our hunting properties cover approximately 5000 acres in 3 counties of central Georgia (Johnson, Washington and Laurens). We extensively use our Plotmaster to plant year-round food plots throughout our properties and we use supplemental minerals/food to enhance the quality of our wildlife.

Our packages include an overnight stay in one of our fully equipped lodging facilities. You can relax and enjoy a front porch view overlooking a fully stocked pond where you are welcome to wet a line when you are not out hunting.

If you have any questions, need additional information or if you are ready to book your hunt please call our office at (478)864-9108. We look forward to hosting your hunt soon but until then we hope that you have a safe and successful hunting season!

Happy Hunting!!!
