

**SAPELO  
HAMMOCK**  
GOLF CLUB

*It's time to come out*  
*and play!*

Spanish moss draped live oaks line the fairways. Sapelo Hammock is a low country course and characteristically follows the tidal creeks, contours and flow of the marsh. Pristine course conditions and the coastal setting are just a few of the reasons you should visit and play. The club is available for weddings, reunions, corporate retreats and other group gatherings. Golf, Social and Community Memberships are available for discounted play and other benefits at Sapelo Hammock Golf Club in Shellman Bluff.

**Open to the public**
