Cast & Blast!

Part of the allure at Noontootla Creek Farms is that you can do it all.

Hunting: Morning, afternoon and full-day hunts are available and include guide, dog, quail or pheasant. Unguided hunts are also available. Watch for Continental Pheasant Shoot dates throughout the season.

Fishing: Seasoned guides set the stage for a full or half day on the water, complete with waders, boots, flies and rod & reel. A year-round flyfishing catch and release program, along two and a half mile private trophy trout waters.

Target Shooting: Blast your way through 100 targets on the 12-station sporting clays course or take to the woods with the 20-target 3-Dimensional archery course.

We invite you to come experience the gracious hospitality of the Owenby family — and the magic of Noontootla Creek Farms.
