NORTH GEORGIA CANOPY TOURS™

Georgia's Ultimate Zip Line Treetop Adventures

TOUR OVERVIEW

Experience a higher perspective on nature at North Georgia Canopy Tours! All Eco-Tours are progressive and you'll find yourself zipping at greater heights and speeds through the lush canopy. Enjoy a bird's eye view of the North Oconee River, ravines, ponds, pastures, and wildlife. Soar through the air attached to a steel cable – which will soon disappear from your consciousness. Two certified eco-trained guides lead eight participants on each Tour, which includes zip lines, sky bridges, moderate nature hikes through a beautiful forest, and a dual zip over the Hilltop Pond in front of our Observation Deck.

Conveniently located one hour north of downtown Atlanta up the I-85/I-985 corridor, North Georgia Canopy Tours is a refreshing experience of environment, culture, history, and wildlife. Bring your own picnic to the Canopy Command Center, Observation Deck, or teepee area, and enjoy the excitement generated by those daring to try this invigorating adventure. Designed to thrill all generations, we welcome kids 10 years or older and weigh at least 70 pounds. Tours are available year-round with seasonal hours. Reservations are strongly encouraged. North Georgia Canopy Tours is simply too much fun for you to keep your feet on the ground. Plan your takeoff NOW and invite your friends—We'll be waiting.

Make your reservations today!

TOUR PRICING

Adventure Tour – \$89

This Tour includes twelve zip lines (over one mile of cable), two sky bridges, three nature walks, the fastest zips on the course, zips over three ponds, twice over the North Oconee River, and a rappel. The Adventure Tour concludes with a thrilling finale – a 695-foot dual zip over the Hilltop Pond in front of the Observation Deck. Allow 3 hours. (Premium Adventure Tour - \$139 – smaller group and personal videographer— call for availability.)

Sky Bridge Tour – \$69

This Tour includes nine ziplines, two sky bridges, two nature walks, and the longest zip. The Sky Bridge Tour concludes with a thrilling finale - a 695-foot dual zip over the Hilltop Pond in front of the Observation Deck. Allow 2 hours.

All participants receive individual safety training at Ground School prior to experiencing any Tour. All Tours include information shared by certified eco-trained guides about the forest, wildlife, local history, and culture.
