FROM OUR
GUEST BOOK

"I have been organizing this trip for about 10 years. I have looked online at hundreds of cabins. Your website represents your home very well. There were no surprises."

M.F. and friends – Chattanooga, TN (January, 2008)

"Tuckaway Ridge is a great cabin...it really exceeded our expectations. I can tell a lot of thought and planning went into this place. Everything is top quality and beautiful. I look forward to visiting again, maybe in the fall to see the leaves change. The Master Bed felt like heaven...The couch was perfect! Thanks for letting us experience Tuckaway."

M.T. - Atlanta, GA (June, 2007)

"We do this trip annually and have been in search of the perfect cabin! We have finally found it!"

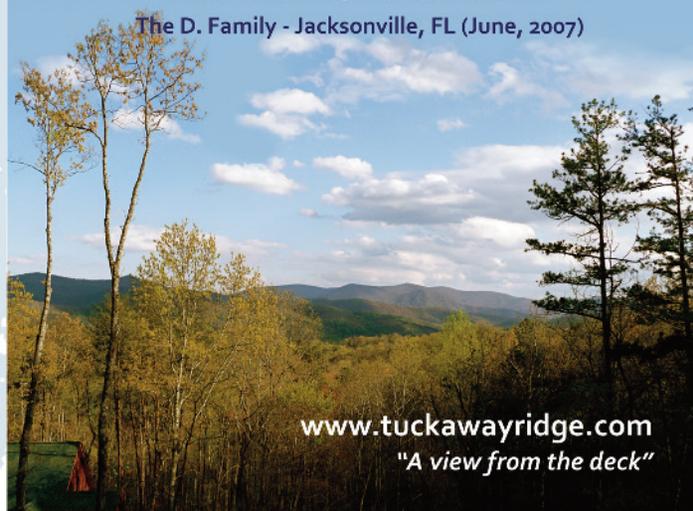

**S.B. and her daughters
 Okeechobee, FL and Dekalb, MS (Oct, 2007)**

"I think Tuckaway Ridge may have spoiled all other cabin rentals for us forever! You have thought of everything – thank you for sharing your home with us. One of our favorite moments was the snow falling while in the hot tub."

The W. M. V and S Families – Atlanta, GA (April, 2007)

"Our group agreed that this was one of the best vacations ever! The basement/rec room area was perfect for the kids to hang out, not to mention the bunk beds themselves were a real treat! The adults enjoyed family games in the living room and preparing meals in the well-equipped kitchen. The kids loved horseback riding and the Scenic Train ride. We all enjoyed the hike to the waterfall. Thanks for opening up your cabin to us."

The D. Family - Jacksonville, FL (June, 2007)
