POWERHOUSE

PRIVATE EVENT VENUE

YOUR UNFORGETTABLE RIVERFRONT EVENT

Columbus' Most Unique Event Venue

We believe our clients deserve the perfect venue, so we created just that: The PowerHouse. Whether it be an afternoon corporate event or a wedding underneath the stars, The PowerHouse is the perfect blend of nature, history, and structural scenery.

Create Memories with a View

Overlooking scenic river views and the Columbus skyline, The PowerHouse is the only Columbus event venue located on an industrial island in the Chattahoochee River. Our buildings have been part of Columbus history since 1851, and while they have been recently renovated, the magic of a bygone era remains. These unique surroundings make The PowerHouse the perfect location for weddings, corporate events, rehearsal dinners, parties and more.

Choose from three exceptional spaces (Lower PowerHouse, Upper PowerHouse, and Forebay) to host your event, accommodating up to 350 guests. Our team can also assist with the outsourcing and the coordination of; site preparation, rental equipment, photography, marketing materials, entertainment, security, technical management, and more. The PowerHouse is where historic beauty meets modern elegance. Reserve your date today.

Caterers and Event Rentals

No event would be complete without the final touches. Our partners in event rentals and caterers are ready to meet and exceed every expectation for you and your guests. Contact them for more information.

Caterer	B&B Beverage Management	334-734-2468	beveragemgmt.com

The Decisions Are in the Details

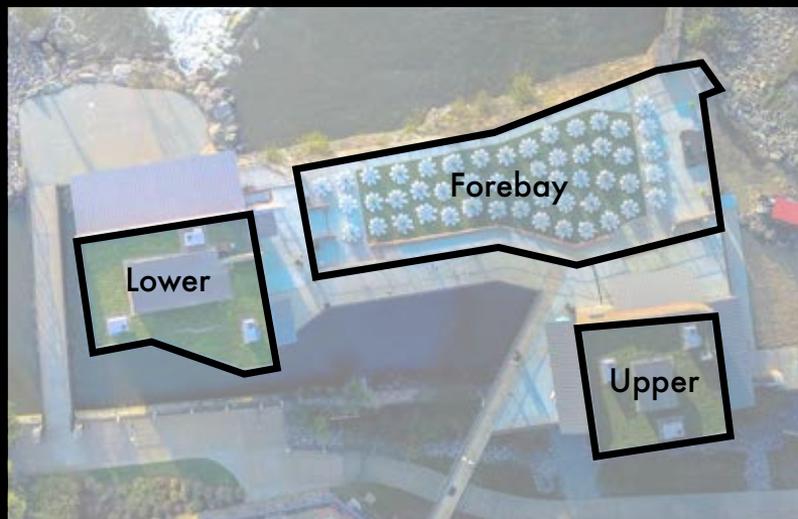

The PowerHouse offers multiple spaces for guest lists of all sizes. The elegant Lower PowerHouse, with large windows and room for up to 200, includes a covered balcony overlooking the river, restroom facilities, and a catering prep/staging area that can be easily converted into a bar space.

Similar in style, the charming Upper PowerHouse seats 150 guests, also boasting large windows, beautiful brickwork, and its own restroom amenities.

All events include access to our large green space, known as the Forebay. The Forebay is well-equipped for bands, DJs, and other entertainment options that require an ample power supply and permanent anchors for any tenting needs.

Pricing is determined based on the number of guests, the date of the event, and the spaces you choose to host your event. Guests are welcome to reserve one building or both if preferred. No matter which building is reserved, you will, no doubt, have an unforgettable event.

For any event with more than 50 guests and/or is serving alcohol, security will be required for a fee. Our team will assist in acquiring the off-duty Columbus police officers.
