# COOL RIVER ADVENTURES

Enjoy the thrill of our aerial adventures with highly trained guides. We are fully equipped with state of the art gear, including our automatic braking system to provide a hands free adventure. Experience the excitement of our aerial bridges and zip across the Chattahoochee River. Challenge yourself on either of our two adventure courses or by trying to get to the top of our climbing walls. With so many options, your biggest challenge may be deciding which to try first.

Our Zipline course includes 2 aerial bridges and 4 zip lines, with 2 lines that cross the Chattahoochee River. We have a large, small, and an extreme adventure course. We also have 4 climbing walls to choose from.
