www.thecitycellar.com

## YEARLY SHOPPING EVENTS

### DOWNTOWN PUNCH CARD CAMPAIGN

(November 1 – mid December) This is a great holiday shopping incentive and participating in it just might win you an incredible gift basket packed with hundreds (yes, hundreds!) of dollars' worth of merchandise from our downtown businesses. Pick up a card from any of our downtown merchants and start shopping! For every \$10 you spend you get a punch and after 10 punches (or \$100) your card is full. Each full card counts as an entry to our prize drawing and you can submit as many full cards as you'd like. The winner of the punch card campaign is announced at our yearly Christmas Karaoke event.

### BUSINESS OPEN HOUSES

(throughout November) Keep an eye on our Facebook page to get the latest information about the dates of various holiday open houses hosted throughout downtown. For these events our downtown business will open their doors and offer some of the best deals of the year on items throughout their stores. There are frequently drinks, refreshments, and giveaways so these are events you don't want to miss!

### SMALL BUSINESS SATURDAY

(Saturday after Thanksgiving) This is a national initiative that helps promote the small businesses that make our economy go! Did you know that when you support small businesses over 60% of your dollar stays in the community? Consider that against the 30% that big box stores usually leave in the community. Where you shop has the power to impact your economy for the better so make the commitment to #shopsmall this holiday season.

find out more at [downtowncartersville.org](http://downtowncartersville.org)

### Cartersville Bluegrass & Folk Festival

Since October 2013 the Cartersville Downtown Development Authority and Main Street Program has been bringing the Cartersville Bluegrass and Folk Festival to downtown. This free event was designed to help promote the community and local musicians. It features two stages, tons of vendors, food and drink, plus a kids' area. Find more information at [www.cartersvillebluegrass.com](http://www.cartersvillebluegrass.com) or on Facebook.

### Pub Crawl

The bi-annual Pub Crawl, which happens in March and September, has become a staple in downtown Cartersville. With each event participants purchase a ticket, which comes with a free t-shirt, and then they have two days to traverse downtown's various watering holes. There are often other food and drink specials to go along with this event and we frequently have music in the plaza for everyone to enjoy while they're making their rounds.

### Farmers Market

The Cartersville Farmers Market is the place to visit when looking for fresh local produce, baked goods, artisan crafts, skincare products and much more! Open every Wednesday (4:00-8:00pm) and Saturday (7:00am-12:00pm) from May to October in the Founder's Oak Parking lot, downtown Cartersville.

### Art Market

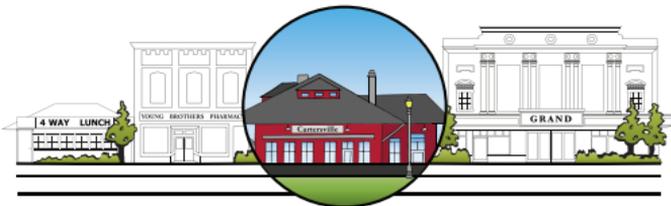

An annual event evolved out of a partnership with the Booth Photography Guild and the Booth Artists Guild to bring a one of a kind art market to Downtown Cartersville. The market features an array of artists from the surrounding counties as well as a jazz music from the Cartersville High School Jazz Band and a performance from the Etowah Jazz Society. A fun event that involves art, music, food, and drinks!
